Thank you for your interest in Susque-Nango Kennel Club. We are a very active club offering classes year round and hosting various events throughout the year. Our members compete in many venues and we can help you find instruction if you are interested in something the club does not offer.

There are many advantages to membership.

In exchange for supporting club events with your volunteer hours, you are entitled to

- discounts on classes

- reduced price for Holiday dinner

- reduced pricing for annual awards plaques

To apply for membership, complete a membership application and bring it with you to a club meeting. Meeting location, dates and times can be found on the club web site at [www.snkc.org](http://www.snkc.org). In addition the club ByLaws and Constitution are posted there and you should read them before signing the membership application. If you do not know any club members, you will after attending the meetings. The Vice President in charge of membership will help secure the signatures for you.

The process of joining requires you to attend three club meetings. After that your name is published in the club newsletter. Your name will be proposed to the membership for a vote at the next meeting. You will be notified of the result of this vote by mail or e-mail following the meeting.
